

### Friday, September 11, 2020

7:30	
8:00	
8:30	
9:00	<b>9:00 - 10:00</b> <b>Plenary Session 1: Welcome and Paty Lecture</b> (Scientific Program Auditorium)
9:30	
10:00	
10:30	<b>10:15 - 11:45</b> <b>Parallel Sessions 1-4</b> (Scientific Program Auditorium)  PS1: Strategies for disease modification PS2: Innate immunity in MS pathology and repair PS3: Biomarkers PS4: Impact of the environment and lifestyle and MS risk and clinical course
11:00	
11:30	<b>11:45 - 12:00 Virtual Concert</b> (Exhibition)
12:00	<b>12:00 - 12:45</b> <b>Exhibition Opening</b>
12:30	
13:00	<b>12:45 - 14:15</b> <b>Parallel Sessions 5-8</b> (Scientific Program Auditorium)  PS5: Pharmacological management of progressive MS PS6: Lymphocyte subsets in MS PS7: Radiological advances I (NAIMS/MAGNIMS) PS8: Epigenetics and genetic factor
13:30	
14:00	
14:30	<b>14:30 - 15:30</b> <b>Industry Supported Satellite Symposia/Non-CME Presentations 1-3</b> (Industry Hub)
15:00	
15:30	<b>15:30-16:00 Brain Exchange Chat Rooms</b> (Visit the Brain Exchange Lounge to see the full schedule)

### Saturday, September 12, 2020

<b>7:30-8:00 Brain Exchange Chat Rooms</b> (Visit the Brain Exchange Lounge to see the full schedule)		
<b>8:00 - 9:00</b> <b>Industry Supported Satellite Symposia/Non-CME Presentations 4-5</b> (Industry Hub)	<b>8:00 - 9:00</b> <b>Exhibition Live</b>	
<b>9:15 - 10:45</b> <b>Parallel Sessions 9-12</b> (Scientific Program Auditorium)  PS9: Personalized approaches to MS PS10: Gut-CNS axis and the microbiome in MS PS11: Radiological advances II PS12: Sex related factors in pathogenesis and management		
<b>11:00 - 12:30</b> <b>Young Investigators 1</b> (Scientific Program Auditorium)	<b>11:00 - 12:30</b> <b>Nurse's Session 1</b> (Scientific Program Auditorium)	<b>11:00 - 12:30</b> <b>Charcot Symposium</b> (CME Satellite Symposium Auditorium)
<b>12:45 - 14:15</b> <b>Parallel Sessions 13-16</b> (Scientific Program Auditorium)  PS13: Innovations in symptomatic and rehabilitative therapy PS14: The impact of MS on neurons and glia PS15: Visual outcome measures in MS (IMSVISUAL) PS16: Machine learning approaches		
<b>14:30 - 15:30</b> <b>Industry Supported Satellite Symposia/Non-CME Presentations 6-8</b> (Industry Hub)	<b>14:30 - 15:30</b> <b>Exhibition Live</b>	
<b>15:30-16:00 Brain Exchange Chat Rooms</b> (Visit the Brain Exchange Lounge to see the full schedule)		

### Sunday, September 13, 2020

<b>7:30-8:00 Brain Exchange Chat Rooms</b> (Visit the Brain Exchange Lounge to see the full schedule)	
<b>8:00 - 9:00</b> <b>Industry Supported Satellite Symposia/Non-CME Presentations 9</b> (Industry Hub)	<b>8:00 - 9:00</b> <b>Exhibition Live</b>
<b>9:15 - 10:00 Hot Topics 1-4</b> (Scientific Program Auditorium) HT1: Strategies to promote remyelination HT2: Aging and MS HT3: Developments in pediatric MS HT4: Grey matter pathology	
<b>10:15 - 11:00 Hot Topics 5-7</b> (Scientific Program Auditorium) HT5: Lymphoid follicles and meningeal involvement in MS HT6: Global perspectives on neuromyelitis optica spectrum disorders HT7: MOG mediated disease	
<b>11:15 - 12:45</b> <b>Young Investigators 2</b> (Scientific Program Auditorium)	<b>11:15 - 12:45</b> <b>Nurse's Session 2</b> (Scientific Program Auditorium)
<b>13:00 - 14:15</b> <b>Free Communications 1-4</b> (Scientific Program Auditorium)	
<b>14:30 - 15:30</b> <b>Plenary Session 2: ACTRIMS-ECTRIMS Lecture and Closing</b> (Scientific Program Auditorium)	

### Encore: Saturday, September 26, 2020
